

Casas curiosas. <http://www.youtube.com/watch?v=6qX9Jq-FFVg>

You will watch a 10-minute clip from a program about people who live in “alternative” houses in Spain. First, familiarize yourself with the statements below by underlining key words and facts. Then, listen to the clip and circle the correct answer: True (T) or False (F).

1.	María's Mongolian-style house was literally built in a day.	T	F
2.	María built her own wooden bed.	T	F
3.	Her house has no bathroom.	T	F
4.	Vanesa purchased her house as is, without having to remodel.	T	F
5.	Vanesa's house has bathrooms that differ from each other.	T	F
6.	The house has separate refrigerators for food and for drinks.	T	F
7.	Bea's house seems normal but is actually made of straw (<i>paja</i>).	T	F
8.	Bea's house isn't quite finished yet.	T	F
9.	Natalia is from Bolivia.	T	F
10.	Natalia says she's fairly short, so she doesn't worry about hitting her head on the beams of her apartment.	T	F
Bonus	Natalia lives on the fourth floor.	T	F
